AB1624HD

Company: _____

Job: _____ #Item: _____

Notes: _____

Heavy Duty Telescoping Bracket Stud Spacing 14.5" to 25"

APPLICATIONS

- Heavy Duty Telescoping Bracket provides ultimate stud-wall flexibility, saving time on the job
- This versatile box mounting system with base frame telescopes to the appropriate stud distance to allow for easy adaptation on any job site

FEATURES

- Improved design eliminates the need to measure, allowing installation to occur 18 in from the floor to meet ADA requirements
- Innovative mounting tab allows bracket to be fastened and rotated into place reducing install time
- Boxes can be added or removed without detaching bracket from studs
- Attach boxes quickly and easily with snap-on box mounting plates (sold separately)
- Box mounting plates can be securely snapped in any position along fully extended bracket
- Rigid design eliminates need for far-side support
- Ready to use out of the box, saving installation time and labor
- Works with wood or metal studs

MATERIAL

Galvanized Steel

MEASUREMENTS

- Size: _____ 14.5 to 25 in
- Length: _____ 14.9 in
- Width: _____ 7.95 in
- Height: _____ 0.45 in

PACKAGING

- Weight: _____ 0.66 lb
- PKG: _____ 25
- UPC Number: _____ 840526201860
